

ESPERANCE ANGLICAN COMMUNITY SCHOOL

Live, learn and play in  
the heart of Esperance

## Our story

Esperance Anglican Community School (EACS) is a co-educational school for day and boarding students in Years 7 to 12.

Educating the whole person – in mind, body and spirit – as a unique individual with their own talents and capabilities is at the heart of EACS.

Since 2008, we have grown rapidly to become a valued contributor to our local regional community. We are proud of the way our students, parents and staff have helped to create a community that embraces individuality while achieving an overall sense of unity.

Our location on the doorstep of one of the world's most beautiful natural playgrounds allows our students to embrace the outdoor lifestyle that is central to the identity of what it means to be a country kid. Being country WA is part of our DNA.

Our founding vision remains core and is embedded in the fabric of the School as we strive to encourage our students to fulfil the talents with which they have been blessed. It's our aim that our students develop these talents and become great contributors to the region and beyond.

## The EACS difference

At EACS, students are challenged to develop a strong sense of belonging, confidence, interdependence and faith. Our strong Christian foundations provide the framework for students to develop as responsible, contributing global citizens.

With approximately 200 students, our school is a little bit like a small, country town. Everybody knows your name, every person is valued and we all share a sense of belonging. This uniquely intimate community allows for excellent relationships and flexible, personal care. It promotes high expectations and equally high standards of behavior. And most importantly, every student is given the opportunity to explore their strengths and interests through participation in a wide range of activities.

Our secret lies with our core values:

- Truth** challenging students to question and explore with integrity, humour and compassion
- Knowledge** the experience of discovering new facts, truths and principles
- Wisdom** deeper understanding and realisation; comprehension of what is true and what is right
- Service** strengthening young people's sense of civic engagement and community

## Educating the whole person

Our experienced and enthusiastic team encourage and inspire students to reach their full academic potential. At EACS, we offer a wide range of activities and experiences so that each and every student can find something to excel at.

- Camps and field trips
- Debating
- Language
- Music – tuition and performance
- Sport
- The Arts – Dance, Drama, Media, Visual Arts
- Outdoor Education – surfing, windsurfing, hiking, sailing
- Robotics
- Service Learning

## Pastoral care

Communities that care for each other are a hallmark of Anglican education. Through caring, committed and friendly staff we aim to create an atmosphere that is warm and inclusive, where students feel happy and respected. We offer students a strong pastoral care programme, based on a house system that focuses on support and guidance from a dedicated team of House Tutors. We strive to ensure that the individual requirements of each and every student is at the core of all decision making.

## Boarding

Boarders are an important part of the EACS community. Our boarding house can accommodate up to 40 students. Boarders reside in twin or single rooms, all with en-suite bathrooms.

- A high standard of care from a dedicated and trained residential staff
- Comfortable, modern accommodation
- Wireless monitored internet access
- Air-conditioning
- Common recreational areas
- Healthy and nutritious meals
- Health care
- Academic support and structured study
- Convenient location close to town
- A range of co-curricular activities

## Entry

We encourage families to register their interest early. A range of scholarships and bursaries are available to students who would otherwise be unable to attend the School due to financial, social or personal circumstances. To learn more about Esperance Anglican Community School, please contact:
